

## Data Sheet HF-8/6-K2

Article number: G8000368

Sleeve temperature sensor, NTC 2K

Sleeve temperature sensor, NTC2 K, 6 m, PVC sensor cable

|                                    |  |
|------------------------------------|--|
| Sensor element                     | NTC                                      |
| Max. air humidity (non-condensing) | 95 % r.H.                                |
| Medium                             | Gas/Fluid                                |
| Mounting/attachment                | in imm. sleeve, prot. coil, on tube, etc |
| Protection class                   | IP65                                     |
| Ambient temperature                | -5 ... 70 °C                             |
| Dimensions (W x H x D)             | 7,7 mm x 7,7 mm x 600 mm                 |
